REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

None of the prior art of record shows or renders obvious the steering column of claims 1, 2, 3, 6, 11, and 16, specifically:

Claims 1 and 6 require an unclamp keeping mechanism which keeps at least one of said clamping mechanisms in an unclamping state for steering wheel adjustment after the first operation is applied to said lever until the second operation is applied thereto.

Claims 2 and 3 require an unclamp keeping mechanism which keeps said clamping mechanism of said telescopic mechanism in unclamping state for steering wheel adjustment after the first operation is applied to said lever until the second operation is applied thereto.

Claim 11 requires an unclamp keeping mechanism which keeps said clamping mechanisms for both of said second column and said tilt head in unclamping state for steering wheel adjustment after the first operation is applied to said operation lever until the second operation is applied thereto.

Claim 16 requires an unclamp keeping mechanism which keeps said clamping mechanism in unclamping state for steering wheel adjustment after the first operation is applied to said lever until the second operation is applied thereto.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
